

LEXI Finance becomes official shirt sponsor of this year's prestigious Varsity Matches

LEXI Finance, the leading real estate capital advisory, provides bespoke funding solutions for property developers and investors across the United Kingdom.

Co-founder Nick Holding-Parsons commented on the announcement of the partnership: "LEXI are delighted to support this year's Varsity Matches as the official shirt sponsor, continuing a long tradition linking property with Rugby.

The Oxford and Cambridge Varsity Matches and LEXI share many of the same values. Whilst Varsity Rugby is steeped in history and represents a collective heritage, and comparatively LEXI is a newer organisation, we both inspire hard work, passion and innovation.

At LEXI, we strive to know the real estate finance market better than anyone else, to offer best-in-class advice and to find astute solutions to our clients' funding problems. We know that students of Oxford and Cambridge Universities have the same commitment to excellence, and as such, we are delighted to become part of the family.

Like The Varsity Matches, LEXI Finance are keenly aware of our responsibility to the wider community and foster the same commitment to inclusivity. We see our partnership with The Varsity Matches as a continuation of our partnership with TreeSisters, a charity dedicated to reforestation through female empowerment. For more on this, see our website, which details how we've turned business success into planting over 10,000 trees.

We look forward to a relationship with The Varsity Matches for years to come."
